

Dear Rails Girls attendee,

Please note that Deliveroo has a designated area for the event you're about to attend, and in that space you're free to take pictures, videos, enjoy drinks and - most importantly - eat delicious food!

Given that this event space is in the middle of an open-plan office, we ask all attendees to stay in the designated area and not leave this area or disturb employees who might be working at their desks.

Furthermore it is strictly prohibited to take pictures of boards or screens outside of the designated area and/or disclose any information you might read outside of the designated area.

Enjoy the event, and thanks for joining us!
